**Comments on Statement of Reasons for Allowance**

Responsive to the Statement of Reasons for Allowance in the Notice of Allowance dated September 27, 2004, Applicants comment as follows.

Applicants agree that the cited prior art, taken singly or in combination, fails to teach the invention as claimed in the claims. Applicants respectfully note, however, that the language attributed by the Examiner to the indicated claims does not identically appear or appear at all in certain of the identified claims.

To the extent that the Examiner's Statement of Reasons for Allowance uses language not identically appearing in the claims, Applicants note that the claims are not limited by such language, but rather the actual language of each claim speaks for itself.

Respectfully submitted,

KLARQUIST SPARKMAN, LLP
